All of our food is prepared fresh to order, please sit back, relax, and enjoy your visit.

We have indicated which vegetarian meals can be adapted to suit Vegans. We have in stock vegan cheese and vegan mayo but please give us a shout if you'd like more information or assistance.

We are more than happy to adapt the menu to your liking, so if you have any allergies, intolerances or simply fancy something you can't see, please let us know. We can not guarantee our chips are 100% gluten free at all times, we are happy to substitute with any other potato or veg of your choice so please ask your server. We offer gluten free bread if needed and have an allergen folder should you require. Service is not included.
